

BABY PANT

Merino wool 175 m.- 50 gr. And 2,5 y 3 mm needles.

Cast on 124 sts (8 more for each size) on 2,5 needles and we knitting in stockinette sts, to 1 – 1,5 cm we knit in the first 15 sts, bind of 2 sts and in the next row we will cast on them again.. This is then insert rubber elastic.

We follow up to 2 (3 cm). We knit 1 row for wrong side and others 2-3 cm in stockinette sts.

WE CHANGE TO 3 MM NEEDLES

We do 2 rows in garter sts.

From there we knitting **5 sts(7** in pants more tan 144 sts), turn and back to the beginning and

knit **13(19)**, and turn and back to the beginning and

knit **21 (27)**, and turn and back to the beginning and

knit **29(35)**, and turn and back to the beginning and

knit **37 (41)** and turn, follow in garter sts until the end, and to make these **short rows in the other side**. And once made 10 cm that we have from the center of the waist and at the centre of the work, as the sides have more turns (2 cm. more for each size),

then **put a marker** in the middle of the stitches and

1º.-knit 1- yarn over.....we continue up to the sts before the marker and do: yarn over- k1- we pass marker- k1- yo, and continue until the end.... And we make:.....yarn over- k1 and turn.

2º.- by the wrong side knit strands twisted,

3º.- knit

4º.- knit

Repeat this 4 rows: 3 times more (140 sts), it should measure 14 cm (2 cm more for each size) if we don't have then continue until 14 cm.

We knit 70 sts and leave the rest on hold. We knit 1-2 cm in garter sts and in the next row we decreased in the sides of the leg on the right side of the work 4 times at the beginning of sskpssso and at the end, making k2tog.

Once finished decreases, we change to needles of 2,5 mm and we do 5 rows in stockinette sts- 1 rows in purl sts but in wrong side and 5 rows in stockinette sts, and bind off with 3 mm needle. We do the other leg in the same way.

Now we sew the back, the sides of the legs, waist and legs bending by the reverse. We pass the elastic rubber by the waist and by the hole where we pass, we can do two sts to close. Best in another colour if need us change the rubber.
