27º.- knitting up to the Stitch prior to the central stitch of the raglan, this put in a thread aux. for the sleeve to the following central stitch, cast on 4 stitches for the armhole, we knitting the center, until to the central stitch now put in a thread aux. for the other sleeve to the following central stitch, cast on 4 sts fot the armhole and we kniti left rear side.

We continue with these stitches, without forgetting the eyelets until you have 10 cm for 0-3 months, 2 cm more for larger size and make the following chart or any other that you like.

Is multiple of 10+1, so we will have what we have and what we divide by 10, envelope make them garter sts for buttons and buttonholes

In the video have 3 on each side and then starts the chart in row 1.

Then we do "two rows at the right stitch and the next on the right side close to doing the "picot bind off".

Back sleeve stitches, started knitting for the right side, cast on 2 sts on each side, and when we do 10 rows decreased 1 sts to each side, other 10 rows and we return to decrease, we continue to size 0-3 until yo have 20 rows 2 cm more for each larger size.

And then we do the same chart that is a multiple or 8+1 on bass, so we divide the stitches that we have between 8 and add some more if we do not spare any thing is subtraction.

I	r	r	r	r	r	r	r	r

In the video we add 1 stitch to the beginning, once finished the chart do the two rows of garter sts and the picot bind off.

We sew sleeves and paste buttons.
