Esteban baby pants

Merino Extrafine, 105 m - 50 gr. 3,5 y 4 mm needles, size 0-1/3-6 months. It starts with back croth, cast on 18 sts. in 3,5 mm needles and we do rib 1/1 for 2 rows, in the 3° we make 3 buttong holes (3 sts – yo- k2tog...) repeat., we do 3 rows more

and change to 4 mm needles and knit stockinette sts for 1 cm

Now we will increase on both sides by the right of the work, knit:

k1 -make one-at the end .. kfb (knit into the front and the back of a stitch) - k1.

This make it 11-13 times in total.

In the next 4 rows cast on 3 sts at the beginning.

We knit 3 (4) centimetros and decrease: k1 - k2tog......k2tog twisted-k1

We do this also 6 (8) cm,

To 8 (10 cm) we make short rows- put marker in the center of the work and from there we knitting 6 sts, turn and purl 12, turn and knit 18 - 24 - 30 - 36 and until the end.

To 9 (12) cm. back to decrease 1 sts on each side and continue until yo have 16 (18) cm.

Now Bind of 2 sts.on each side

Knit next row as the right:

1º- k3- k2tog.. we repit until the end.

3º- k3- k2tog.. we repit until the end

5º- k2- k2tog.. we repit until the end

In the following we start in seed sts. and make 4 rows, on the 5^a we knit 5 stitches (or 6 if we do a braid on the strapless) which we leave for the strapless and we finish off the rest and leave other 5 sts (or 6) WITHOUT TOPPING AT THE END.

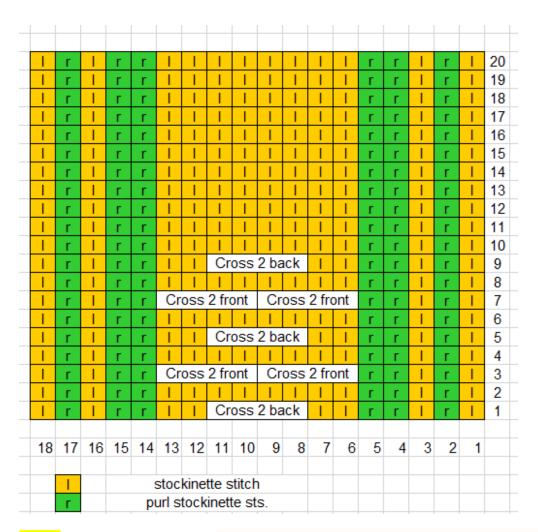

And with this we continue during 27 cm in seed stitch and ultimately 6 rows in stockinette sts.

Then sew the button above ,we return to the 5 stitches and do the same. For the braid with the 6 sts that we leave, we do this chart.

r	_	_	_	_	r	
r	Cross 2 front				r	
r	\perp	-1	\perp	Т	r	
r	Cross 2 back				r	

FRONT

Cast on with 35, mm needles 18 sts (18), purl one row (wrong side) and start in stockinette sts 4 rows, this will be where the buttons go and as much as rib. From there we do the chart.
